In Brief

**HAIRY SELFIE:** One of Stoke City's most high-profile fans joined pupils in a bid to break the world record for the most selfies within three minutes. Sean Ruane – aka the Hairy Potter – joined students at Burslem's Haywood Academy and the Stoke City Community Trust

for the attempt. They need to break the current record of 108 selfies but will have to wait 12 weeks for verification. Above, Seoirse Gilbride, aged 12, from Tunstall, Sean Ruane, from Stockton Brook, and Dylan Saxon, aged 12, from Stanfields. *Picture: Leanne Bagnall*
