

Former Apprentice star to inspire students

STUDENTS will be getting tips for career and exam success – when former Apprentice star Melody Hossaini visits their sixth form.

The social entrepreneur, pictured, who appeared on the BBC show in 2011, has been invited to speak at Haywood Sixth Form Academy, in Burslem, on Monday. She will be doing a presentation in the

academy's 'speaker's corner' area based at Burslem Town Hall.

Students will also be taking part in interactive exercises and hearing inspirational stories on the day.

The event is being organised in partnership with InspireEngage International and the National Citizen Service Trust.
