

Haywood Academy

High Lane, Burslem, Stoke-on-Trent, ST6 7AB

Science Technician

Required for January 2019

A highly committed and enthusiastic colleague is required to join a large, professional and supportive team that continues to grow with the popularity of Science at KS3, 4 and 5.

A large part of our success is attributed to the creation of a people-centred culture of care and support. Haywood Academy prides itself for being at the forefront of educational developments and it is at an exciting time in its journey. We are a sponsor for other schools and are also the lead school of a successful Multi Academy Trust.

The Academy is based on three unique sites; a £10 million revamped 11-16 site and two refurbished iconic Victorian buildings which house our Post 16 Provision, City College - Burslem Old Town Hall and School of Art. The facilities at all or our sites are state of the art. I cannot convey strongly enough what an amazing place Haywood Academy is to teach and learn in.

We are looking for someone who:

- Is passionate about children's learning
- Will support the Head of Faculty to ensure the department is outstanding
- Has exceptional communication and teamwork skills

In return we can offer you:

- A positive working atmosphere with committed and enthusiastic staff
- Enthusiastic students who are happy and confident learners
- A firm commitment to your professional development

Closing Date: Thursday 10th January 2019

An application form and further details are available from the Academy website or via email.
