12 January 2018

Dear Parent/Carer

I am very pleased to inform you that following a two day Ofsted inspection (12th and 13th December), Haywood Academy has retained its status as an Ofsted rated “good” school across all areas.

From the copy of the report enclosed, I hope you can see that the Ofsted team who inspected the Academy, made up of five inspectors, were immensely impressed and highly complementary of all aspects of Haywood Academy and also the City College (the newly rebranded Haywood Sixth Form College).

We are proud to serve our community and remain grateful that in return you support the academy. This relationship is the bedrock of this excellent Ofsted report – a real team effort.

May I take this opportunity to wish you a happy new year.

Yours sincerely

Mr Dilesh Parmar
Principal
