Dear Parent/Carer,

### Re: Making the most of Year 7

At Haywood Academy we believe that it is very important to work closely with parents to build positive relationships and ensure that students optimise their chances of success at school. On Thursday 15<sup>th</sup> October 2020 we will be holding a virtual evening entitled, 'Making The Most of Year 7' for our new students and their parents/carers.

There will be an introduction from Mrs Hartley, Vice Principal, who will discuss key academic messages. This will ensure that you are fully aware of our expectations for Year 7 students as the year progresses. She will also be highlighting what you can do as a parent/carer in order to support your child over the coming months. This video introduction will be live on our website on Thursday 15<sup>th</sup> October.

Following this, between 4pm and 7pm on the same day, Form Tutors will be contacting parents by phone to discuss your child's progress so far. I am aware that phone calls to discuss how your child has settled into Haywood Academy have recently been made so on the evening, discussions will be based around attendance, behaviour and academic progress.

Due to the volume of calls that Form Tutors need to make, these conversations will last for 5 minutes each. If you do have any concerns that you wish to discuss then please do raise these at the start of the conversation. If there is not enough time to discuss everything that you wish to, Form Tutors will contact you again at a convenient time.

I'd like to take this opportunity to thank you for your support and engagement with the Academy so far. We look forward to working with you to help your child reach their full potential.

Yours sincerely

Mr Ashton
